

## Monday 8<sup>th</sup> November 2021 Conference masterclasses

The cost to attend a Masterclass will be £75pp although a 10% discount will be given to those who register as part of the conference package.

Each masterclass will take place via Zoom from 10:00-16:00

### **Transformative Simulation: understand, define, and design**

**Sharon Weldon**, Reader in Nursing Research and Education  
Deputy Head (Research & Enterprise), School of Health Sciences  
Centre Lead for Professional Workforce Development, Institute of Lifecourse Development, University of Greenwich

**Andy Buttery**, Regional Simulation & Human Factors Project Lead  
MSc Simulation Pathway Lead, Canterbury Christ Church University

### **Simulation and human factors ergonomics: improving systems**

**Dr Michael Moneyppenny** - Michael is a consultant anaesthetist with an interest in obstetric and emergency anaesthesia. He is the past director of the Scottish Centre for Simulation and Clinical Human Factors. He is a faculty member of the MSc in Human Factors and Patient Safety jointly run by the University of Edinburgh and the Royal College of Surgeons of Edinburgh. Michael is keen on increasing the use of human factors ergonomics expertise within healthcare.

## **Simulated placements: Developing effective undergraduate placements**

**Dr Isabel Ryder** – Associate Head, Programmes, NMC official correspondent, School of Health and Care Professions

**Dr Deborah Thackray** - Principal Teaching Fellow, School of Health Sciences, University of Southampton,

**Charles Everard** - Clinical Skills/Technical Learning Resources Manager, University of Greenwich

## **Establishing an effective in situ programme**

**David Wright** - Hull Institute of Learning and Simulation (HILS)

**Andrew Blackmore** - Hull Institute of Learning and Simulation (HILS)

## **Send in the Mind**

### **The Simulation - Mental Health synergy**

**Chris Attoe**, Head of Research & Development, Maudsley Simulation, South London & Maudsley NHS Foundation Trust

**Dr Gregoire Billon**, Clinical Lead, Maudsley Simulation & Consultant Child and Adolescent Psychiatrist, South London & Maudsley NHS Foundation Trust

**Dr Camilla Tooley**, Senior Simulation Tutor, Maudsley Simulation & Relationship Therapist, Relate

**Anita Bignell**, Senior Nurse Tutor, Maudsley Simulation, South London & Maudsley NHS Foundation Trust

## Tuesday 9<sup>th</sup> November 2021

0815 UK time	<b>Registration / Logging in / Finding your way</b>				
0845– 0900	<b>President Welcome</b>				
0900– 1000	<p style="text-align: center;"><b>KEYNOTE ONE</b></p> <p style="text-align: center;">Victoria Brazil - Professor of Emergency Medicine and Director of Simulation, Gold Coast Health Service and Bond University medical program</p> <p style="text-align: center;"><b>Upstream Thinking .... working better, together, in complex systems</b></p>				
1000- 1100	<p style="text-align: center;"><b>KEYNOTE TWO</b></p> <p style="text-align: center;">Dr Michael Rosen - Human Factors Psychologist and Associate Professor in the Dept. of Anesthesiology and Critical Care Medicine, Johns Hopkins School of Medicine.</p> <p style="text-align: center;"><b>Team work &amp; Organisational learning for Patient Safety</b></p>				
1100- 1120	<b>Refreshment Break, Exhibition, Poster Gallery and Online Networking</b>				
1120-1200	<b>Session 1 Oral papers Q&amp;A</b>	<b>Short workshop 1</b>  ASPIH Accreditation	<b>Session 2 Oral papers Q&amp;A</b>	<b>Workshop 1</b>  Idea incubation: Developing a credible research question	<b>Workshop 2</b>  Remote Debrief SIG workshop
1210-1250	<b>Session 3 Oral papers Q&amp;A</b>	<b>Short workshop 2</b>  Training SPs to deliver feedback	<b>Session 4 Oral papers Q&amp;A</b>	Debra Nestel, Yang Yan Foo, Gerry Gormley & Nancy McNaughton	

		Robert MacAulay, ASPE President and Shawn Galín, ASPE President- Elect			
1250-1350	<b>Lunch Break, Exhibition, Poster Gallery and Online Networking – speed date at 13:30*</b>				
1350-1505	<b>KEYNOTE THREE</b>				
	HEE Dr Neil Ralph - Head of Technology Enhanced Learning (TEL)				
	Professor Bryn Baxendale - Consultant Anaesthetist, Nottingham University Hospitals NHS Trust & HEE TEL Simulation Lead				
1505-1525	<b>Refreshment Break, Exhibition, Poster Gallery and Online Networking</b>				
1525-1545	<b>ASPIH AGM</b>				
1545 - 1625	<b>Session 5 Oral papers Q&amp;A</b>	<b>Short workshop 3</b>  IRiS – Making the most of your platform	<b>Session 6 Oral papers Q&amp;A</b>	<b>Workshop 3</b>  VR & Mental Health Vimal Manali @Sim4Psych	<b>Workshop 4</b>  The Debriefing Academy workshop  Adam Cheng and Vince Grant
1635-1715	<b>Session 7 Oral papers Q&amp;A</b>	<b>Short workshop 4</b>  Tech SIG team - TBC	<b>Session 8 Oral papers Q&amp;A</b>		
1720-1800	Remote Debriefing Panel Discussion				
1930–2030	Social evening				

# Wednesday 10<sup>th</sup> November 2021

0800	<b>Exhibition, Poster Gallery and Online Networking</b>				
0845-0900	Welcome & housekeeping & Wellbeing session				
0900-1000	<p style="text-align: center;"><b>KEYNOTE FOUR</b></p> <p style="text-align: center;">Professor Stephani Hatch - Professor of Sociology and Epidemiology, Institute of Psychiatry, Psychology &amp; Neuroscience (IoPPN), King's College London</p>				
1000-1020	<b>TBC</b>				
1020-1045	<b>Refreshment Break, Exhibition, Poster Gallery and Online Networking</b>				
1045-1125	<b>Session 9 Oral papers Q&amp;A</b>	<b>Workshop 5</b>  Clinical Debriefing  Cristina Dias	<b>Session 10 Oral papers Q&amp;A</b>	<b>Workshop 6</b>  360 Virtual Nick Perez & Chris Gay	<b>TBC</b>
1135-1215	<b>Session 11 Oral papers Q&amp;A</b>		<b>Session 12 Oral papers Q&amp;A</b>		
1215-1235	<b>TBC</b>				
1235-1315	<b>Refreshment Break, Exhibition, Poster Gallery and Online Networking</b>				
1315-1415	<p style="text-align: center;"><b>KEYNOTE FIVE</b></p> <p style="text-align: center;">TBC</p>				

1415-1455	<b>Session 13 Oral papers Q&amp;A</b>	<b>Short workshop 5</b>  Simulation as an opportunity to explore staff health and well-being – Chris Attoe	<b>Session 14 Oral papers Q&amp;A</b>	<b>Workshop 7</b>  Non-technical Skills – Steven Yule	<b>Workshop 8</b>  We need to talk about qualitative analysis...  Debra Nestel, Yang Yan Foo, Gerry Gormley & Nancy McNaughton
1505-1545	<b>Session 15 Oral papers Q&amp;A -</b>	<b>Short workshop 6</b>  Tech SIG team	<b>Session 16 Oral papers Q&amp;A</b>		
1545-1600	<b>Refreshment Break, Exhibition, Poster Gallery and Online Networking</b>				
1600-1700	<p style="text-align: center;"><b>KEYNOTE SIX – PANEL DISCUSSION</b></p> <p style="text-align: center;">Professor Ken Catchpole, Human Factors Research Practitioner, Medical University of South Carolina</p> <p style="text-align: center;"><b>Using Simulation to Embed Human Factors into Frontline Care</b></p>				
1700-1720	Conference Poster & Paper awards, closing remarks & 2022 conference announcements
